

LUCY E DELANEY

*Junior Faculty Distinguished Teaching Professor
College of Natural and Agricultural Sciences
University of California, Riverside*

lucyd@ucr.edu
@ledelaney
ledelaney.org

Employment

UNIVERSITY OF CALIFORNIA,
RIVERSIDE

Assistant Professor of Teaching, *December 2021-*
Department of Evolution, Ecology, and Organismal Biology

Education

UNIVERSITY OF ILLINOIS AT
CHICAGO

PhD in Ecology and Evolutionary Biology (*Fall 2021*)
How do we understand natural selection?
Advisors: Joel S. Brown and Boris Igić

HUNTER COLLEGE

MA in Molecular and Cellular Biology (*2016*)

JOHN JAY COLLEGE OF
CRIMINAL JUSTICE

BS in Forensic Molecular Biology, Philosophy (*2012*)

Teaching Activities and Honors

JUNIOR FACULTY EXCELLENCE
IN TEACHING AWARD

2024 Recipient
Nominated by the Department of Evolution, Ecology, and Organismal Biology and awarded by the UCR Academy of Distinguished Teaching.

FACULTY LEAD FOR
RIDLE 4X AND HHMI IE3

2023-2024 Elected Faculty Cohort Lead
A collaborative faculty development program hosted by XCITE with funding from HHMI, centered on the development of equitable and inclusive pedagogy in introductory science courses.

DEEP TEACHING RESIDENCY
FELLOW

2022-2023 Selected Fellow
An NSF-funded year-long faculty development program evaluating how instructor self-awareness, students' personal histories, and broad social structures impact the development of an equitable pedagogy.

UIC GRADUATE STUDENT
EXCELLENCE IN TEACHING
AND MENTORING AWARD

2021 Honorable Mention
One of three PhD candidates recognized by the University for excellence in undergraduate teaching and mentoring.

GRADUATE STUDENT
TEACHING AND SERVICE
AWARDS

2021, 2020, 2018 Recipient of Three Departmental Awards
Recognition for excellence in teaching in Evolution and Genetics, and service to the department in the transition to online instruction during Covid.

University Teaching

INSTRUCTOR OF RECORD	Introduction to Organismal Biology	Winter 2024
	Introduction to Organismal Biology	Fall 2023
	Cellular Basis of Life	Fall 2023
	Population Genetics and Genomics	Summer 2023
	Introductory Evolution and Ecology	Spring 2023
	Cellular Basis of Life	Spring 2023
	Introductory Evolution and Ecology	Winter 2023
	Freshmen Advising Seminar	Fall 2022
	Introductory Evolution and Ecology	Fall 2022
	Introduction to Organismal Biology	Fall 2022
	Cellular Basis of Life	Spring 2022
	Introduction to Organismal Biology	Spring 2022
	Introduction to Cell and Molecular Biology	Winter 2022
	Introductory Evolution and Ecology	Winter 2022
	Foundations for the Future  	Fall 2021
COURSE COORDINATOR	Biology Colloquium  	Fall 2021
COURSE BUILDER	Biological Sciences Department  	Summer 2020–Summer 2021
GRADUATE TEACHING ASSISTANT	Mendelian and Molecular Genetics  	Fall 2019–Summer 2020
	General Ecology Laboratory 	Summer 2019
	Ecology and Evolution	Spring 2019
	Evolution	Fall 2017–Fall 2018
	Biology of Populations and Communities	Fall 2016–Spring 2017

Funding

2023–2025. \$499,946.41. Co-PI with N. Holt and K. Samuk, *Using a Cluster Hire of Diversity-Invested Faculty to Integrate Biology and Social Justice Teaching*. UCOP Advancing Faculty Diversity.

Publications

Peer-reviewed articles

Delaney, Lucy E & Igić, B. (2022). The phylogenetic distribution and frequency of self-incompatibility in Fabaceae. *International Journal of Plant Sciences*, 183(1), 30–42. 

Other works

Delaney, Lucy E. (2022). *Biology 002: The Cellular Basis of Life Course Textbook*. 

Delaney, Lucy E. (2021). *How do we understand natural selection?* [PhD thesis]. University of Illinois at Chicago. 

Delaney, Lucy E. (2012). Nietzsche, nerve stimulation-image connection, and ontology. *John Jay's Finest*, 27, 99–103. 

Presentations and Seminars

December 2023 at RIDLE 4X Showcase Event | Talk 
July 2022 at Howard Hughes Medical Institute | Poster Presentation 
October 2021 at University of Illinois at Chicago | Virtual Seminar 
August 2021 at University of California, Riverside | Virtual Seminar 
July 2021 at Society for the Advancement of Biology Education Research | Virtual Talk 
June 2021 at Society for the Study of Evolution | Virtual Talk 
March 2021 at Midwest Ecology and Evolution Conference |  Best Graduate Talk 
January 2021 at SABER West | Virtual Roundtable 

Flowering Plant Breeding Systems

July 2021 at Botanical Society of America | Virtual Talk 
July 2018 at Botanical Society of America | Rochester, MN | Poster 
August 2017 at microMORPH | Arnold Arboretum of Harvard University | Talk 

Teaching Service Activities

-  **2024** Invited participant for the *Ask a CNAS Professor* video series
-  **2024** Invited speaker for CNAS First-Year Scholars Faculty Mixer
-  **2023-2024** Invited speaker for EEOB graduate student lunch bunch (2x)
-  **2023** Invited speaker for EEOB 400 graduate seminar (2x)
-  **2023** Faculty panel speaker for CNAS new student orientation day
-  **2023** Faculty “Brown Bag” presenter for RISE program
-  **2023-present** Biology curriculum committee member
-  **2022-2023** Faculty mentor for CNAS Graduate Student Mentorship Program
-  **2022** Journal club facilitator for GradEdge/JumpStart program for new graduate students
-  **2021** Participant in the Undergraduate Mentoring Program at the Annual Evolution Conference
-  **2021** Invited member of UIC student advisory group concerning graduate student teaching support
-  **2020** Participant in the 2020 Chicago  Collaborative Conference 

Selected Professional Experience

Forensic Molecular Biologist at NYC Office of Chief Medical Examiner	2012–2015
Health Research Intern at NYC Department of Health	2011-2012
Field Manager & Administrative Assistant at Working Families Party <i>New York State political action organization focused on economic justice.</i>	2008-2011

Other positions 2007-2020
Like so many of our students, I held a variety of positions to support myself throughout my scholarly career: cashier, hostess, waitress, receptionist, babysitter, dog walker, bowling alley mechanic, substitute teacher, tutor, and barista. Such experiences inform my mentorship of students that face the unique challenges inherent in balancing work with the pursuit of postsecondary degrees.
